# PARTS WAREHOUSE

## PARTS AND SERVICES

Ward Boland Associates, a leader in HVAC solutions for the greater Maryland area, wants to remind its customers about our Parts Warehouse. After delivering quality products to our customers, we provide ongoing support and OEM part replacements through our in-house Parts Warehouse. Totalling 25,000 square feet with over \$100,000 in inventory, our warehouse provides the support you need in order to service your clients quickly and efficiently. In addition to stocking replacement product parts and supplies, Ward Boland offers technical support, start-up services, and warranty coverage with factory certified support for our most popular products.

Between our Parts Manager and Service Manager, the Parts Warehouse team boasts over 55 years of experience with the company. We take pride in being able to offer critical support through our product expertise and partnerships with the industry's leading manufacturers. Providing this service to our customers is just one of the reasons Ward Boland continues to be recognized as a leader in HVAC solutions and a trusted partner in the industry.
